Issue of a responsibility mark (RM)

Dear Mr. Redl

Further to your request we have registered your responsibility mark under no. 10545. Please find enclosed the certificate of registration.

This new RM will be published in the Swiss Trade Bulletin.

When your goods are imported into Switzerland, the number of your responsibility mark as well as the quantity and the kind of the articles contained in your consignment have to be mentioned in the **customs declaration**.

For any information on the marking of precious metals articles, please apply at one of the Assay Offices mentioned in the enclosed list.

Please inform us of any change in your address or in your company name; we will modify your file free of charge.

Yours sincerely,

Federal Customs Administration

Thomas Brodmann
Deputy of the head of the central office
Central office for precious metals control
